***The Key for a new building!***

Ministries! Glory Way Baptist Church blessed us with a church building for free. Their Church's Deacons had been discussing about what to do with their building. During that discussion three different people at different times informed them about

Sword Deaf Baptist Ministries. They contacted me to come and discuss the possibility of donating the church to our ministry. They wanted to make sure we teach the same doctrine

and beliefs. I explained our different ministries such as Church services, College Classes, Sign Language Classes, Counseling and much more. God spoke to their hearts and they felt it was Gods will that they donate the building to Sword Deaf Baptist Ministries. We are extremely excited and

we sing all praises to God for this blessing. We ask you all to please pray for the people of Glory Way Baptist Church and their future.

The building is fantastic! The auditorium holds 150 people. It has a baptistery, five classrooms, and a full basement (fellowship hall) with a kitchen. The land is 1 ½ acres including the parking lot which has 5 lamp posts. The building also comes fully furnished. It is in Clinton, Tennessee which is 16 miles from our current College Campus in Andersonville.

***Sword Deaf Baptist Ministries building!***
